The terms and conditions of auction will be as follows:—

(*a*) The materials will be suitably grouped in lots or will be put up for auction singly as may be considered necessary and will be knocked down to the highest bidder, and in the event of any dispute arising between two or more bidders at the same price, the lot or lots shall be put up again and resold. The sales will be subject to approval of the Chief Electrical Engineer, if considered necessary by the Auctioning Officer.

(*b*) All articles purchased will be at the risk of the purchaser thereof from time of confirmation of sale by the Chief Electrical Engineer and communication thereof to the party.

(*c*) All lots should be removed with faults and errors of all description as sold.

(*d*) Cash should be paid in full for lot or lots purchased by bidders before delivery but the lot or lots will not be allowed to be removed from the place of auction until after confirmation of the sale by the Chief Electrical Engineer.

(*e*) In case of default of payment of the whole or any portion of the purchase amount by any bidder, the articles will be resold and the bidder will be liable to any loss incurred thereby.

(*f*) A deposit of ten per cent of the amount tendered by the successful bidder should be recovered immediately the lots are knocked down in his favour and such deposits shall be treated as forfeited to Government in case of any default to pay the purchase money within the time prescribed in clause (*g*); on resale, as laid down in clause (*e*), the bidder will be liable to make good any loss incurred thereby, without having the right to participate in any excess realised.

(*g*) The articles purchased should be removed within three days from the date of sale or confirmation of the sale by the Chief Electrical Engineer as the case may be.

(*h*) Intending purchasers are permitted in inspect the material in our Central Stores three working days before the date of the auction between 9 to 11-30 A.M. or 3 to 5 P.M.

B. RAMANUJA IYENGAR,
For *Chief Electrical Engineer.*
